Workshops Descriptions

SC Works WIOA Information Session- Learn about services and possible training funding available through the Workforce Innovation and Opportunity Act (WIOA). Explore certificate programs such as CDL, HVAC, Forklift, PCT, CNA, IT, and more, along with additional resources offered through SC Works.

CDL Training: Your Roadmap to a Career in Transportation (SAGE trucking)- Learn about commercial driver's license (CDL) training, licensing requirements, career opportunities, industry expectations, and pathways to success in the trucking industry.

Look Again (Self-care Series)- This workshop encourages participants to examine what they carry, what they have normalized, and the difference between simply functioning and truly thriving. Through a workforce lens, this workshop explores stress, workplace demands, communication, self-awareness, and healthy practices that support employee engagement, well-being, and long-term job retention.

Careers Matter (Dominion Energy)- Your career journey starts with the right preparation. This interactive workshop equips job seekers with the essential tools for employment success, including building a strong resume, mastering interview techniques, dressing professionally for success, following up with employers, and developing the soft skills that today's employers value most. Gain practical strategies and the confidence to stand out from application to job offer.

CDL Training and Careers (Trusted King)- Explore rewarding career opportunities in the commercial trucking industry and learn how earning a Commercial Driver's License (CDL) can lead to a stable, high-demand career. This workshop covers the CDL training process, licensing requirements, career pathways, industry expectations, employment opportunities, and the steps to successfully begin a career in transportation.

Launch Your Trucking Career: CDL Training, Licensing, and Employment Success with Knight's Drivers Academy- This workshop provides an overview of our CDL training program, licensing requirements, career pathways, and job placement assistance. Learn what today's transportation employers are looking for and gain the knowledge, skills, and resources needed to take the next step toward becoming a licensed professional driver. Your journey to a rewarding career starts at Knights Drivers Academy!

Construction Path: Rod Buster- Explore a career in the skilled trades and discover what it takes to become a Rod Buster/Reinforcing Ironworker. Learn about hands-on training, job expectations, career opportunities, earning potential, and the pathway from training to employment in the construction industry.

Healthcare Careers: Where Do I Fit?- Explore the many career pathways available in healthcare and discover where your interests, strengths, and skills may fit. Learn about different occupations, training requirements, career advancement opportunities, and how to take the next step toward a rewarding healthcare career.

Hired Is Just the Beginning: How to Build a Successful Career in Healthcare- Explore entry pathways into the healthcare industry, including training and career options, while learning the professional habits, workplace expectations, and skills needed to get hired, stay employed, and advance into a successful healthcare career.

Midlands Technical College: College Application & Admissions- Ready to take the next step toward college? Learn how to navigate the application and admissions process at Midlands Technical College, explore program options, understand enrollment requirements, and get the information you need to begin your educational and career journey.
