Workshops Descriptions

SC Works WIOA Information Session- Learn about services and possible training funding available through the Workforce Innovation and Opportunity Act (WIOA). Explore certificate programs such as CDL, HVAC, Forklift, PCT, CNA, IT, and more, along with additional resources offered through SC Works.

Career Pathways and Industry Opportunities in Trucking (SAGE trucking)- Learn about commercial driver's license (CDL) training, licensing requirements, career opportunities, industry expectations, and pathways to success in the trucking industry.

CDL Training and Careers (Trusted King)- Explore rewarding career opportunities in the commercial trucking industry and learn how earning a Commercial Driver's License (CDL) can lead to a stable, high-demand career. This workshop covers the CDL training process, licensing requirements, career pathways, industry expectations, employment opportunities, and the steps to successfully begin a career in transportation.

Launch Your Trucking Career: CDL Training, Licensing, and Employment Success with Knight's Drivers Academy- This workshop provides an overview of our CDL training program, licensing requirements, career pathways, and job placement assistance. Learn what today's transportation employers are looking for and gain the knowledge, skills, and resources needed to take the next step toward becoming a licensed professional driver. Your journey to a rewarding career starts at Knights Drivers Academy!

Construction Path: Rod Buster-Explore a career in the skilled trades and discover what it takes to become a Rod Buster/Reinforcing Ironworker. Learn about hands-on training, job expectations, career opportunities, earning potential, and the pathway from training to employment in the construction industry.

Midlands Technical College: College Application & Admissions-Ready to take the next step toward college? Learn how to navigate the application and admissions process at Midlands Technical College, explore program options, understand enrollment requirements, and get the information you need to begin your educational and career journey.

"Emotional Intelligence & Interviewing Skills" Practice your skills, receive constructive feedback, and feel more prepared to succeed in a real interview.

Becoming a cyber security analyst- Introducing the SOC Level I Analyst role for job seekers and people transitioning careers.
