Workshop Descriptions

SC Works WIOA Informational Session: Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This Informational session will also include some of the additional services we provide at SC Works.

Introduction to CDL Pathways & Career Opportunities with SAGE Truck Driving School: Receive an overview of training options, career paths in transportation, and how participants can enter a high-demand industry.

CDL Training & Careers: Obtain the foundational skills needed to start a career in the transportation industry. This workshop will guide you through the steps to obtain your Commercial Driver's License (CDL) and connect you with trusted providers who can support you in achieving your credential.

Construction Pathways: Highlights construction careers and you can learn about in-demand roles, required skills and certifications, and opportunities for advancement. This workshop connects attendees to pathways for entering and growing in the field of construction.

*****NEW***AI Proof Your Career:** Learn how to build a career in technology using the power of artificial intelligence.

*****NEW***Becoming a Midlands Tech Maverick, Summer Semester:** Find out how to get enrolled at Midlands Technical College. You will discover information about their enrollment process, programs of study, application assistance, and more.

*****NEW***Emotional Intelligence & Soft Skills:** This workshop covers a crucial set of soft skills that will help you navigate the workplace. Having soft skills can make the difference in leadership effectiveness, career success, and unity within the team.
