- School District Sites

Richland One *Students and parents can sit in their vehicles within 200-250 feet of the buses to access free Wi-Fi from 10 a.m. – 1 p.m. Monday - Friday at those locations. The buses will be parked in front of the buildings or in other prominent areas at the designated sites. Students and parents will not be able to board the buses.*

- **Annie Burnside Elementary School**
- **Burton-Pack Elementary School**
- **Gadsden Elementary School**
- **W.S. Sandel Elementary School**
- **Edward E. Taylor Elementary School**
- **Watkins-Nance Elementary School**
- **Webber Elementary School**
- **Columbia High School**
- **Lewis Scott Court Apartments**

Richland Two *Families can park their cars in the designated locations, connect to the Internet & access their students' e-learning assignments. The outdoor Wi-Fi zones will be accessible seven days a week, 8 a.m. to 7 p.m. District provided devices should connect to the rsd2-secure wifi network automatically when in range. Devices not provided by the district may connect with no account information required to the rsd2-open wifi network. Select it from your device, and it should connect. The rsd2-open wifi network is not encrypted. Use at your own risk.*

Charter will offer free Spectrum broadband and Wi-Fi access for 60 days to households with K-12 and/or college students who do not already have a Spectrum broadband subscription and at any service level up to 100 Mbps. To enroll call **1-844-488-8395**. Installation fees will be waived for new student households.

AT&T is offering low-cost wireless home internet services to qualify households (at least one resident who participated in the SNAP, National School Lunch or Head Start programs) with plans free for 2 months and then rates as low as \$5 per month to follow. For helping enrolling in the program, call 855-220-5211.

Comcast is taking immediate steps to make it easier to connect low-income families to home Internet. New Internet Essentials customers will receive two free months of Internet service if they apply by April 30, 2020. After promotion, regular rates apply. For all new and existing Internet Essentials customers, the speed of the program's Internet service has increased to 25 Mbps downstream and 3 Mbps upstream.

EveryoneOn is a nonprofit dedicated to creating social and economic opportunity by connecting low-income families to affordable internet service and computers, and delivering digital skills training. [Click here for resources to help students stay connected while at home](#)
