Workshop Descriptions

NEW How to Impress in a Job Interview—Participants will learn valuable strategies to excel during job interviews. From crafting a compelling resume to mastering the art of body language, this workshop covers all the essential elements to make a lasting impression on potential employers.

NEW Critical Thinking Skill Development—Attendees gained a comprehensive understanding of critical thinking as a multifaceted process involving analysis, evaluation, inference, interpretation, explanation, and self-regulation.

NEW Essential Workplace Communication Skills -Through a combination of theoretical insights and practical exercises, attendees gained a comprehensive understanding of the importance of communication skills in the workplace. The workshop covered various aspects of communication, including verbal, nonverbal, written, and interpersonal communication.

NEW Building Self-Esteem-Workshop provides participants with a transformative journey towards cultivating a positive self-image and nurturing inner confidence. Through a series of engaging activities and introspective discussions, attendees explored the foundations of self-esteem and its profound impact on personal well-being and professional success.

NEW Tips for Writing Your Resume to Get Hired- This workshop emphasized the importance of tailoring resumes to specific job roles and industries, highlighting relevant achievements and qualifications to capture recruiters' attention. Attendees also received guidance on incorporating keywords and phrases to optimize their resumes for applicant tracking systems (ATS).

Midlands Tech Business and Information Technology -Are you interested in beginning a career in the Cyber Security or Computer Technician? Join this Virtual workshop hosted by Midlands Technical College and learn about their training programs .

SCWOS Resume Creation-During this in person workshop you will learn how to create a simple resume in SCWOS with your employment history, while learning the importance of having a professional resume.

Midlands Tech Advanced Manufacturing- "Unlocking Your Future: Heavy Equipment Operator Career Workshop" Description: Are you ready to steer your career in a new direction? Join our comprehensive Heavy Equipment Operator Career Workshop and embark on a journey toward a fulfilling and high-demand profession in the construction and infrastructure industry.

MTC PCT(Patient Care Technician)- Are you interested in beginning a career in the medical field? Join this In Person workshop hosted by Midlands Technical College and learn about Midlands Techs Patient Care Tech program.

Your Background is not Your Barrier Workshop- Assisting just involved individuals with navigating the employment application, interview and hiring processes and more!

160 Driving Academy— Are you interested in pursuing a career in Transportation Logistics? Join 160 Driving Academy to learn about their CDL program!

SC Works Informational Session- Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This In-formational session will also include some of the additional services we provide at SC Works.
