# Workshop Descriptions

**\*NEW\* How to Utilize Your Strengths and Weaknesses-** workshop is designed to help participants identify their personal strengths and weaknesses and learn practical strategies for leveraging them in both professional and personal contexts. Attendees will engage in interactive exercises to assess their skills, receive guidance on how to improve areas of weakness, and discover ways to maximize their strengths for greater success and satisfaction.

**\*NEW\* Introduction to Artificial Intelligence-**Unlock the potential of Artificial Intelligence in your job search with this beginner-friendly workshop. Learn how AI tools can streamline your job-hunting process, from creating tailored resumes to optimizing LinkedIn profiles, finding job opportunities, and preparing for interviews. Whether you're new to AI or just looking to enhance your job search strategy, this workshop will provide practical insights and hands-on experience to help you land your next job."

**Your Background is not Your Barrier Workshop-** Assisting just involved individuals with navigating the employment application, interview and hiring processes and more!

**SCWOS Resume Creation-**During this in person workshop you will learn how to create a simple resume in SCWOS with your employment history, while learning the importance of having a professional resume.

**How to Utilize Chatgpt-** This workshop is designed to introduce you to the capabilities of ChatGPT, an advanced AI language model developed by OpenAI, and teach you how to effectively integrate it into your personal and professional workflows.

**MTC PCT( Patient Care Technician)-** Are you interested in beginning a career in the medical field? Join this In Person workshop hosted by Midlands Technical College and learn about Midlands Techs Patient Care Tech program.

**Midlands Tech Advanced Manufacturing- Unlocking Your Future: Heavy Equipment Operator Career Workshop Description:** Are you ready to steer your career in a new direction? Join our comprehensive Heavy Equipment Operator Career Workshop and embark on a journey toward a fulfilling and high-demand profession in the construction and infrastructure industry.

**SC Works Informational Session-** Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This In-formatinal session will also include some of the additional services we provide at SC Works.
