# Workshop Descriptions

**CDL Training and Careers:** Gain the foundational skills needed to start a career in the transportation industry. This workshop will guide you through the steps to obtain your Commercial Driver's License (CDL) and connect you with trusted providers who can support you in achieving your credential.

**AI-Proof Your Future: How to Build a Career in Technology:** Learn how to build a career in technology using the power of artificial intelligence

**Level Up Healthcare: Fast-Track Healthcare Certification:** Ready to start your healthcare journey? Our Fast-Track Certification provides practical training and essential credentials so you can confidently step into the field—often in as little as a day. Gain the skills and confidence to launch your new career immediately. Whether you're looking to change careers or start your first job in healthcare, this program gives you everything you need to succeed.

**SC Works WIOA Informational Session:** Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This Informational session will also include some of the additional services we provide at SC Works.

**AI-Powered Resumes: Building One that Stands Out:** Learn to create standout resumes using AI tools that optimize your skills, experience, and keywords to grab employers' attention and land more interviews.

**Mastering Interview Techniques: Stand Out and Succeed:** Unlock the secrets to acing interviews in this dynamic workshop tailored for job seekers and professionals. Gain essential tools and strategies to confidently navigate today's competitive job market. Engage in interactive exercises, tackle real-world scenarios, and receive expert feedback to sharpen your skills. Walk away empowered, prepared, and ready to impress in any interview setting. Join us and take a bold step toward advancing your career!

**\*NEW\* Securing Our Economic Foundation an AI Driven Opportunity:** Harnessing the power of artificial intelligence to become more economically stable. Learning the tools of AI to boost productivity, increase wages and increase economic growth.

**\*NEW\* Credit Reports: What They are and Why They Matter:** Knowing and understanding what a credit report is and why it is important and why it is one of the most influential documents in the financial world. This may affect your ability to borrow money, it can influence interest rates, and the list continues.

**\*NEW\* SBA: Banking and Budgeting Basics:** Learning how to create a budget and stick with it. This entails how to understand your finances to avoid overspending, reduce financial stress, save for goals, and pay off debt faster.

**\*NEW\* Job Scams:** Job scams may appear legitimate but may ask for upfront payment scams, fake check/overpayment scams, identity theft scams, phishing job emails, too-good-to-be-true work-from-home offers and more. This workshop will teach you what they are so that you can divert them and focus more on legitimate positions.

**\*NEW\* Emotional Intelligence: Soft Skills and Interviewing Advice:** This workshop covers a crucial set of soft skills that will help you navigate the workplace. Having soft skills can make the difference in leadership effectiveness, career success, and unity within the team.

**\*NEW\* Employment New Years Resolutions:** Do you have employment goals for your New Years Resolutions? Are you trying to create a plan to achieve your goals? Come to the workshop and you can discover how to create goals and devise a plan to achieve them.
