Workshop Descriptions

SC WORKS

MIDLANDS

NEW Resume for the Digital Age– Is your resume up to date and modern for the digital age? If not, join us for this in-person workshop and learn how to elevate and modernize your resume.

NEW How to prepare for an interview– Job interviews are your first chance to make a lasting impression! Attend this workshop and ensure that you are prepared for that next interview.

NEW Creating a Professional Cover Letter– Cover letters are often a vital step in earning a job interview. If you are interested in learning how to create an impactful cover letter, attend this workshop!

NEW Professional Communication Tactics– Professional communication is essential when on the job hunt or on the job. Join us for this workshop and expand your communication skills!

Taking your Computer Skills to the Cloud- What is the cloud? Why is cloud computing on the rise? How can cloud computing benefit my personal and professional title? Come learn the answers to all of these questions with an overview of office 365 including features and demonstrations

Midlands Tech HVAC Program- Are you interested in beginning a career in HVAC? Join this virtual workshop hosted by Midlands Technical College and learn about their training programs.

Midlands Tech CNA Program- Are you interested in beginning a career in the medical field? Join this virtual workshop hosted by Midlands Technical College and learn about their training programs

A Day in the Life of a Truck Driver– Are you interested in becoming a truck driver? Join this in-person workshop and learn from an experienced truck driver what your career could look like!

Informational Session- Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This Informational session will also include some of the additional services we provide at SC Works.
