# Workshop Descriptions

A proud partner of the  americanjobcenter® network

**AI-Proof Your Future: How to Build a Career in Technology:** Learn how to build a career in technology using the power of artificial intelligence

**SC Works WIOA Informational Session:** Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This Informational session will also include some of the additional services we provide at SC Works.

**Level Up Healthcare: Fast-Track CNA & PCA Certifications:** Ready to start your healthcare journey? Our Fast-Track Certification provides practical training and essential credentials so you can confidently step into the field—often in as little as a day. Gain the skills and confidence to launch your new career immediately. Whether you're looking to change careers or start your first job in healthcare, this program gives you everything you need to succeed.

**SBA: Banking and Budgeting Basics:** Learning how to create a budget and stick with it. This entails how to understand your finances to avoid overspending, reduce financial stress, save for goals, and pay off debt faster.

**Emotional Intelligence: Soft Skills and Interviewing Advice:** This workshop covers a crucial set of soft skills that will help you navigate the workplace. Having soft skills can make the difference in leadership effectiveness, career success, and unity within the team.

**CDL Training and Careers:** Gain the foundational skills needed to start a career in the transportation industry. This workshop will guide you through the steps to obtain your Commercial Driver's License (CDL) and connect you with trusted providers who can support you in achieving your credential.

**\*NEW\* Becoming a SOC Level I Analyst:** Introduces the foundational skills needed to start a career in cybersecurity operations. Participants learn the role and the session outlines career paths and next steps for breaking into the field.

**\*NEW\* Healthcare Careers:** Provides an overview of in-demand roles across the healthcare industry. You can learn about required skills, training pathways, and career growth opportunities. This session helps attendees identify healthcare careers that align with interests and goals.

**\*NEW\* Career Pathways in Healthcare:** This workshop explores the various entry-level, mid-level, and advanced roles within their healthcare industry. This workshop will teach you about education requirements, certifications, and progression opportunities.

**\*NEW\* Construction Pathways:** Highlights construction careers and you can learn about in-demand roles, required skills and certifications, and opportunities for advancement. This workshop connects attendees to pathways for entering and growing in the field of construction.

An Equal Opportunity Employer/Program. Auxiliary aids and services are available upon request to individuals with disabilities. All voice telephone numbers may be reached using TTY/TDD equipment via the South Carolina Relay Service at 711. For program funding details in compliance with the Stevens Amendment, please visit [www.dew.sc.gov/funding](http://www.dew.sc.gov/funding)
