Workshop Descriptions

SC WORKS

MIDLANDS

***NEW* Personal Branding** -This workshop is designed to help you take charge of your personal and professional growth. Through interactive discussions, practical exercises, and proven strategies, you'll gain valuable tools to enhance your self-awareness, build confidence, and set actionable goals. Whether you're looking to improve your time management, boost your self-esteem, or develop a growth mindset, this session will provide you with the insights and techniques to thrive in both your career and personal life.

***NEW* Lasting 1st Impressions** - Learn how to make a powerful and lasting first impression in any personal or professional setting. This workshop will explore key strategies for effective communication, body language, and confidence-building to ensure you leave a memorable impact. Master the art of presenting your best self from the very first interaction!

***NEW* Mastering AI Basics: How to Effectively Use ChatGPT** -Discover the power of ChatGPT and learn how to effectively utilize AI to enhance productivity and creativity. This workshop will cover AI basics, practical applications, and strategies for leveraging ChatGPT in various personal and professional scenarios. Gain the skills you need to confidently integrate AI tools into your daily tasks.

***NEW* Stress Management in the Workplace**- Learn practical techniques to manage stress and maintain balance in the workplace. This workshop will explore strategies for identifying stress triggers, building resilience, and creating a healthier work environment. Gain tools to stay focused and productive while reducing burnout and improving overall well-being.

***NEW* Careers in IT** - Explore the exciting world of Information Technology (IT) and discover a wide range of career opportunities in this growing field. This workshop will provide insights into various IT roles, in-demand skills, and pathways to success, whether you're starting your journey or seeking a career change. Learn about certifications, training programs, and industry trends to help you take the next step toward a rewarding career in IT.

***NEW* Introduction to Cloud Computing** - Dive into the world of cloud computing with this introductory workshop designed for beginners. Learn the basics of cloud technology, its key benefits, and how it's transforming the way businesses operate. This session will cover fundamental concepts, common applications, and career opportunities in the cloud computing field. Gain a clear understanding of how the cloud works and its growing role in today's digital landscape.

Level Up Healthcare Academy -The Level Up Entry-Level Nursing Programs workshop will explore the benefits of completing certifications in PCA (Patient Care Assistant), CNA (Certified Nursing Assistant), Phlebotomy, and CPR training. By acquiring these credentials, you can significantly increase your marketability in the healthcare field, opening doors to higher-paying job opportunities and career advancement. With starting pay at \$17/hr and the chance to make a meaningful impact in patient care, this workshop will help you take the next step toward a rewarding healthcare career presented by Dr. Colette Townsend-Chambers

Social Media Etiquette- Master the art of social media etiquette in this engaging workshop designed to help you navigate online platforms professionally and respectfully. Learn best practices for creating positive interactions, maintaining your personal brand, and avoiding common pitfalls. This session will provide valuable tips for balancing authenticity with professionalism, ensuring your online presence reflects your best self. Perfect for anyone looking to enhance their digital communication skills

SC Works Informational Session - Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This In-formational session will also include some of the additional services we provide at SC Works.
