Workshop Descriptions

***How to Utilize Your Strengths and Weaknesses-** workshop is designed to help participants identify their personal strengths and weaknesses and learn practical strategies for leveraging them in both professional and personal contexts. Attendees will engage in interactive exercises to assess their skills, receive guidance on how to improve areas of weakness, and discover ways to maximize their strengths for greater success and satisfaction.

***Introduction to Artificial Intelligence-**Unlock the potential of Artificial Intelligence in your job search with this beginner-friendly workshop. Learn how AI tools can streamline your job-hunting process, from creating tailored resumes to optimizing LinkedIn profiles, finding job opportunities, and preparing for interviews. Whether you're new to AI or just looking to enhance your job search strategy, this workshop will provide practical insights and hands-on experience to help you land your next job."

DSS Informational Session- Join us for an informative workshop hosted by the Department of Social Services (DSS). This session is designed to provide valuable insights into the various programs and resources available to support individuals and families in our community.

SCWOS Resume Creation-During this in person workshop you will learn how to create a simple resume in SCWOS with your employment history, while learning the importance of having a professional resume.

160 Driving School- Join us for an engaging informational workshop hosted by 160 Driving School, designed to provide valuable insights for new and prospective drivers. This session aims to equip attendees with essential knowledge about safe driving practices and the steps to becoming a licensed driver.

How to Utilize Chatgpt- This workshop is designed to introduce you to the capabilities of ChatGPT, an advanced AI language model developed by OpenAI, and teach you how to effectively integrate it into your personal and professional workflow

How to Dress for Success- Join us for our "How to Dress for Success" workshop, designed to help you make a positive impression in any professional setting. In today's competitive job market, your appearance can play a significant role in how you are perceived by employers and colleagues.

Midlands Tech Advanced Manufacturing- Unlocking Your Future: Heavy Equipment Operator Career Workshop Description: Are you ready to steer your career in a new direction? Join our comprehensive Heavy Equipment Operator Career Workshop and embark on a journey toward a fulfilling and high-demand profession in the construction and infrastructure industry.

SC Works Informational Session- Learn and explore the options that may be available to you under the WIOA (Workforce Innovation and Opportunity Act) Federal Program and how to receive possible funding for various certificate programs such as CDL, HVAC, Forklifting, Health Care Training, IT, and more. This in-formational session will also include some of the additional services we provide at SC Works.

An Equal Opportunity Employer/Program. Auxiliary aids and services are available upon request to individuals with disabilities. All voice telephone numbers may be reached using TTY/TDD equipment via the South Carolina Relay Service at 711. For program funding details in compliance with the Stevens Amendment, please visit www.dew.sc.gov/funding
